

Prepare Students

Published on LEARNZ (<http://www.learnz.org.nz>)

This LEARNZ virtual field trip begins with the Prepare Students section and is followed by the interactive field trip experience.

The main parts of the *Prepare Students* section are:

Activities [1]	Interactive web based to support the learning associated with the background pages.
Background: Easy [2]	Readings written in a simpler style to allow for a multi-levelled approach. Supported by captioned images that can be enlarged to full screen size and used like a slide-show. A fully transcribed audio file for each reading is also available. Questions generated from the background readings and related discussion can be used as a starting point for participation in a web conference.
Background: Standard [3]	Readings related to the content of the field trip, supported by captioned images. These can be enlarged to full screen size and used like a slide-show. A fully transcribed audio file for each reading is also available. Questions generated from the background readings and related discussion can be used as a starting point for participation in a web conference.
Glossary [4]	Available for students to find definitions of new words from the background pages, web conferences and videos.
