### Finding Resilience Newsletter 5 - For Teachers

Kia ora koutou, it's [Shelley](#) [2] here,

Welcome to the fifth and final *Finding Resilience* field trip newsletter. Read previous newsletters [here](#) [3].

#### 1. Evaluation form

- If you haven't already please complete the [evaluation](#) [4] form now on your [MyLEARNZ](#) [5] control panel.
- Why?
  - o We need your input to make sure we provide the highest quality LEOTC experiences and
  - o Our sponsors need to know what you think of LEARNZ so they keep paying the bills (i.e. we want to keep LEARNZ freely available)
- Forgotten your password? [Recover it now](#) [6].

#### 2. Evaluation prize results

- All teachers who submitted an [evaluation](#) [4] by Friday 20 October went into the field trip evaluation prize draw.
- The prize was a class set of topographical maps for the winning school's local area and a local hydrographic chart.
- This prize was kindly donated by [Land Information New Zealand LINZ](#) [7].
- **Congratulations to:**

○ Helen Voise and her Year 5 and 6 class from Kaikoura Primary School!

#### 3. Student self-assessments

- Teachers, if you have finished with the online [pre-test](#) [8] and [post-test](#) [9] student self-assessment forms for this field trip, email [barrie.matthews@core-ed.org](mailto:barrie.matthews@core-ed.org) [10] to have your class submissions analysed and emailed to you. It's OK if just some of your students have filled them in or if they have submitted either self-assessment rather than both.

#### 4. Field trip contributions

- Please let us know how you used the trip with your class so we can encourage other teachers. Email your ideas to me
