Reasons to enrol your class(es) in LEARNZ

virtual field trips:

1. Newsletters

Emailed newsletters are sent out to teachers of enrolled classes. Newsletters have planning tips and ideas for saving time and getting the best from your LEARNZ field trip experience.

- 1st Newsletter - 1 month before the field trip
- 2nd Newsletter - 2 weeks before the field trip
- 3rd Newsletter - 2 days before the field trip
- 4th Newsletter - 3 days after the field trip
- 5th Newsletter - 1 month after the field trip

Newsletters can also be found via your [MyLEARNZ](#) [2].

2. Live Web conferences

Teachers of enrolled classes can take part in web conferences and access recordings.

Live web conferences offer the chance for your students to orally put their questions directly to experts. Bookings essential – more details in newsletters.

Live web conferences also offer the chance for any class to ask questions using the chat feature. No bookings required.

Instructions for connecting to live web conferences are in your [MyLEARNZ](#) [2].

3. Recorded Web Conferences

Teachers of enrolled classes can access recordings of web conferences.

Recordings are accessed via a code in your [MyLEARNZ](#) [2].

4. Evidence of Usage

To provide us with **evidence** of use for our partners, which helps **keep LEARNZ free**.

We are able to offer LEARNZ free to teachers in New Zealand state, integrated and registered private schools because of the generosity of our partners. Currently these include: MoE, DOC, LINZ, EQC, NIWA, NZTA, MPI and many others. These partners expect evidence that their funding has created useful educational outcomes in New Zealand students.
