

## Field Trip

Published on LEARNZ (<http://www.learnz.org.nz>)

---

The [Prepare Students](#) [1] section will get your class ready for the Land, Sky and Space virtual field trip!

The Land, Sky and Space field trip experience is made up of a number of components which take place in **Term 2 2018**.

All components in the table below are updated daily during the Land, Sky and Space field trip. They remain on this website and can be used after the date of the live field trip.

<a href="#">Ambassadors</a> [2]	Classes can send an ambassador (small toy) on the field trip with the LEARNZ Field Trip teacher. Daily ambassador updates can be read by all enrolled classes.
<a href="#">Web Conferences</a> [3]	Students put questions live to experts who are on location during the field trip. Web conferences can also be listened to live via Zoom or from a recording.
<a href="#">Diaries</a> [4]	Shelley the LEARNZ Field Trip Teacher writes a detailed diary for students to read, accompanied by captioned images and panoramas for each day of the field trip - including the travel day on Monday.
<a href="#">Experts and Careers</a> [5]	Students meet each expert involved in this field trip via a profile page and short video. Potential career and training paths can also be explored on these pages.
<a href="#">Photo Gallery</a> [6]	All website and field trip photos are available in one easy-to-use location, where students can browse and select to further their interest and learning.
<a href="#">Videos</a> [7]	Short, curriculum-rich videos with questions and answers are made on each day of the field trip and uploaded in the evening for viewing the following day.
