### [After Field Trip](#) [1]

There's a lot you and your class can do to round out your LEARNZ virtual field trip experience.

- Reflect by filling out the [Evaluation](#) [2] Form and go in the Prize Draw
- Share learning for this field trip with other teachers on the [LEARNZ Group on EdSpace](#) [3]
- Email the LEARNZ Teacher [shelley.hersey@core-ed.org](mailto:shelley.hersey@core-ed.org) [4]
  - a web conference summary done by your class
  - photos of students' work (no last names visible please)
  - a link to your class blog showing learning from the field trip
- Revisit the field trip Newsletters in MyLEARNZ
- Other Suggestions
  - go on a class field trip or other visit to a place with New Zealand bird species
  - invite a visiting speaker to your class or school assembly
  - do a class presentation eg at assembly or parent evening.

Thanks for taking part and contributing.

Have a look on the [Field Trip Chooser](#) [5] for your next LEARNZ virtual field trip.

Regards
