

Field Trip 2019

Published on LEARNZ (<http://www.learnz.org.nz>)

The [Prepare Students](#) [1] section will get your class ready for the **Sustainable Seas 2019** virtual field trip!

The **Sustainable Seas** field trip experience is made up of a number of components which take place in **Term 1 2019**.

All components in the table below are updated daily during the **Sustainable Seas** field trip. They remain on this website and can be used after the date of the live field trip.

Ambassadors [2]	Classes can send an ambassador (small toy) on the field trip with the LEARNZ Field Trip teacher. Daily ambassador updates can be read by all enrolled classes.
Web Conferences [3]	Students put questions live to experts who are on location during the field trip. Web conferences can also be listened to live via Zoom or from a recording.
Diaries [4]	Shelley the LEARNZ Field Trip Teacher writes a detailed diary for students to read, accompanied by captioned images and panoramas for each day of the field trip - including the travel day on Monday.
Experts and Careers [5]	Students meet each expert involved in this field trip via a profile page and short video. Potential career and training paths can also be explored on these pages.
Photo Gallery [6]	All website and field trip photos are available in one easy-to-use location, where students can browse and select to further their interest and learning.
Videos [7]	Short, curriculum-rich videos with questions and answers are made on each day of the field trip and uploaded in the evening for viewing the following day.
