

Evaluation & Prize

Published on LEARNZ (<http://www.learnz.org.nz>)

Teacher evaluations are an important part of our own evaluation process where we work to continue improving LEARNZ virtual field trips.

It is also important you supply an evaluation so we can report to our sponsors about the how the field trip worked in different classrooms, regions, school types etc.

Teachers of enrolled classes who sent in an evaluation by Friday 5 April 2019 went into the draw to win the field trip prize, kindly donated by the [Sustainable Seas National Science Challenge](#) [1].

- The prize was a Collins Field Guide to the New Zealand Seashore.
- ***Congratulations to Sophia Douglas and her Year 4-6 class at Terrace End School.***

The evaluation form can still be completed through your MyLEARNZ control panel.
