---

This LEARNZ virtual field trip begins with the Prepare Students section and is followed by the interactive field trip experience.

The main parts of the *Prepare Students* section are:

Activities	Interactive web based and print-and-photocopy activities to support the learning associated with the background pages.
Background: Easy	Readings written in a simpler style to allow for a multi-levelled approach. Supported by captioned images that can be enlarged to full screen size and used like a slide-show.
Background: Standard	Readings related to the content of the field trip, supported by captioned images. These can be enlarged to full screen size and used like a slide-show.
Glossary	Available for students to find definitions of new words from the background pages.
