Contributions

- Generic Planning Sequence for a LEARNZ virtual field trip - [Word](#) [26](110k) | [PDF](#) [27] (180k).
- Antarctica Preview. Captioned images from the background pages, packaged in a convenient PDF which you can show to your students as a slide-show, or print to put in your reading area - [PDF](#) [28] (1.4Mb).
- Do a class audioconference summary. Making a class summary of an audioconference is a great way of reviewing the information your students heard. It's easy to do, purely as some text, or as main facts on a picture background. Feel free to use the audioconference summary sheet - [PDF](#) [29] (180k). We'd love to share your ideas so please send your class summary to shelley.hersey@core-ed.org. [30]
- Remember you can listen to the audioconferences again from the audio recordings if you want to gather more information.
