

Panoramas

Published on LEARNZ (<http://www.learnz.org.nz>)

[Panoramas](#) [1]

During the field trip panorama photos are taken which help students orientate themselves to the field trip environment. Questions from the captions are best answered after watching videos, reading a diary, or listening to an audioconference.

Monday 11 November

[2] Looking across the harbour to Wellington City. How do you think a city can have green spaces when there is so much traffic and so many high-rise buildings?

[Download image](#) [2]

Tuesday 12 November

[3] Inside the Traffic Operations Centre. What are all the monitors for?

[4]The eastern end of Memorial Park. What is the building on the left called? Where is the road you can see on the right leading to?

[Download image](#) [4]

[5]Over looking the Memorial Park construction site from the steps of the National War Memorial. Compare this photo with others with a similar view from the previous two Memorial Park field trips.

Wednesday 13 November

[6]Looking towards the Carillon over all the new paving being laid. Why do you think paving was used rather than grass?

[7]More paving going on at Memorial Park.

[Download image](#) [7]

[8]Looking at the western end of Arras Tunnel. Why do you think one of the lanes isn't in operation?

[Download image](#) [9]

Thursday 14 November

[10]It doesn't look like much yet, but in the foreground you can see work beginning on the Australian monument. What is the significance of having this monument?
