Memorial Park 4 Newsletter 4 - For Teachers

Tēnā koutou, it's Shelley here.

This is the fourth newsletter for the LEARNZ *Memorial Park 4* virtual field trip. Previous newsletters from this field trip can be read [here](#) [2].

Things to do from this newsletter:

- complete the field trip [evaluation](#) [3]
- send your field trip work to share with others on the website

1. Thank you

- Well done everyone for taking part in our *Memorial Park 4* field trip to Wellington. Thank you to all classes who participated in [audioconferences](#) [4] - I'm sure you found the exercise worthwhile and gained value from it. Thanks also to those who joined in on the [LEARNZ Backchannel](#) [5] while they listened to the live stream.
- Thanks to our many experts associated with the field trip, with a special thank you to Lynsey Morgan from the Memorial Park Alliance who helped organise the trip and co-ordinate the [experts](#) [6].
- The time and effort that has been put into the field trip from everyone involved has been very much appreciated.

2. Evaluation form

- Please complete the evaluation form now on your [MyLEARNZ](#) [7] control panel.
- Why?
 - We need your input to make sure we provide the highest quality LEOTC experiences
 - Our sponsors need to know what you think of LEARNZ so they keep paying the bills (i.e. we want to keep LEARNZ freely available) and
 - You have a chance to win the field trip [evaluation prize](#) [3] if you submit an evaluation by **Friday 17 April 2014**
- Forgotten your password? [Recover it now](#) [8].

3. Field trip contributions

Memorial Park 4 Newsletter 4

Published on LEARNZ (<http://www.learnz.org.nz>)

- Let me know how you used the trip with your class so I can encourage other teachers. Send your ideas to me shelley.hersey@core-ed.org [9], e.g. audioconference summaries, photos of artwork, Blog links etc and I will publish it for your class and others to view.

4. Keep using the field trip

- The [Memorial Park 4](#) [10] website has all the field trip material still there for you and your class to use. Remember to continue to access the [activities](#) [11]. Be sure to take a look at the [videos](#) [12] and the many still images in the [photo gallery](#) [13].
- Each video has a caption with questions for students to answer. A copy of the video questions and answers is in the [Resources](#) [14] section of the website. The videos and questions make an excellent class, group, or individual activity for use at school or as homework. The audioconferences are also available for listening to at any time by logging in to access [Audioconference Recordings](#) [15].
- The [Ask-an-Expert](#) [16] Web Board will be open for you to log in and ask your questions until **Friday 1 May 2015**. This is an excellent place for students to ask 'fat' questions and learn about the correct procedure and language to use on an internet forum such as this.
- Read or listen to the [background reading pages](#) [17] and field trip material to help focus your class inquiry.

Ka kite anō,

Shelley
