Teacher evaluations are an important part of our own evaluation process where we work to continue improving LEARNZ virtual field trips.

It is also important you supply an evaluation so we can report to our sponsors about how the field trip worked in different classrooms, regions, school types etc.

Teachers of enrolled classes who sent in an evaluation by Friday 27 July went into the draw to win a **Powerheart G5 Automated External Defibrillator (AED)** for their school, kindly donated and arranged by [New Zealand Red Cross/Rīpeka Whero Aotearoa](#) [1].

- ***Congratulations to Katie Halvorsen and class from Wanaka Primary School!***

Teachers you can complete your evaluation through your [MyLEARNZ](#) [2] control panel after the field trip.

Wesaka Primary School Pod 6 students participated in a LEARNZ virtual trip as part of its New Zealand natural disasters unit in term two and won a defibrillator.

Children explored different disasters and how they could be best prepared for them. During the virtual field trip

remote locations where neighbours helped each other, and met people who were helping communities prepare for the unexpected.

A Red Cross representative visited the primary school last week to present the pod with the defibrillator.

The teachers and students learned how to use the defibrillator which will be mounted in the foyer of the school
