### Teacher PLD

- Access a recording of the teachers [PLD webinar](#) [2] for this and other field trips for term 2.
- [Watch this video](#) [3] where Duan Wilkins talks with Chris Harwood from the Ministry of Education about how the *Map My Waahi* field trip aligns with the New Zealand curriculum. She also highlights some Tuia 250 resources that fit within this field trip's themes.

### Student self-assessments

- Your students can complete the online [pre-test](#) [4] and [post-test](#) [5] student self-assessment forms for this field trip. Once completed you can email [barrie.matthews@core-ed.org](mailto:barrie.matthews@core-ed.org) [6] to have your class submissions extracted and emailed to you. It's OK if just some of your students have filled them in or if they have submitted either self-assessment rather than both.

### Web conference resources

- **Map My Waahi web conference activity:** Students can work on this activity while they listen to live or recorded web conferences - [PDF](#) [7] (100k) | [Google Doc](#) [8]. Notes from these pages could be shared to help put together the class web conference summary
- **Web conference summary:** The class web conference summary can be done in a format of your own choosing, but feel free to use the web conference summary sheet - [PDF](#) [9] (78k) | [Google Doc](#) [10]. We'd love to share your ideas on the field trip website and help your students feel valued for their efforts. Please send your class summary to [andrew.penny@core-ed.org](mailto:andrew.penny@core-ed.org) [11].
