### [Field Trip](#) [1]

The [Prepare Students](#) [2] section will get your class ready for the **Explore Outdoors** virtual field trip!

The **Explore Outdoors** field trip experience is made up of a number of components which take place in **Term 1 2020**.

All components in the table below are updated daily during the **Explore Outdoors** field trip. They remain on this website and can be used after the date of the live field trip.

<a href="#">Ambassadors</a> [3]	Classes can send an ambassador (small toy) on the field trip with the LEARNZ Field Trip teacher. Daily ambassador updates can be read by all enrolled classes.
<a href="#">Diaries</a> [4]	Teana the LEARNZ Field Trip Teacher writes a detailed diary for students to read, accompanied by captioned images and panoramas for each day of the field trip - including the travel day on Monday.
<a href="#">Experts and Careers</a> [5]	Students meet each expert involved in this field trip via their profiles or short video. Potential career and training paths can also be explored on this page.
<a href="#">Videos</a> [6]	Short, curriculum-rich videos with questions and answers are made on each day of the field trip and uploaded in the evening for viewing the following day.
<a href="#">Web Conferences</a> [7]	Students put questions live to experts who are on location during the field trip. Web conferences can also be listened to live via Zoom or from a recording.
